Started as a Training Company

Focused on learning solutions, skill development, and capability building for individuals and teams.

2010
The Beginning

Academia and Universities Connect

Partnering with leading universities and colleges to bridge the gap between academia and industry through advanced training, certification programs, internships, and placement support.

2013
Growing Impact

Collaboration with Corporates

We collaborate with corporates to upskill their workforce through customized training programs and provide skilled professionals to meet evolving business and technology requirements.

2015
Deeper Partnerships

Talent Acquisition & Staffing Solutions

Recognized the critical need for quality hiring and talent access. Began enabling organizations with recruitment and staffing solutions.

2018
Evolving with Business Needs

End-to-End Talent Ecosystem

Today, we combine the strength of training and hiring to deliver complete talent solutions—empowering businesses to Learn, Hire, and Grow.
