

# HR

Human Resource (HR) management is the process of managing an organization's workforce, involving recruitment, onboarding, training, performance management, employee engagement, payroll, and compliance to ensure a productive, skilled, and motivated work environment that supports business growth and organizational success.

We offer multiple courses on HR. You can choose the most suitable one based on your **Project Requirements, Qualifications, Current Role, or Interests**. To get a better understanding and personalized guidance, you can also connect with our Career Counsellor.
